

**Reinstatement of Pharmacy Co-Pays for New Hampshire Medicaid and NH Health Protection Program (NHHPP) begins November 1, 2014**

Effective November 1, 2014, pharmacy co-pays will be reinstated for Medicaid and NHHPP recipients, including those enrolled with Well Sense Health Plan and New Hampshire Healthy Families. Recipients with income over 100% of the Federal Poverty Level will be charged a pharmacy copayment unless the individual is exempt for any of the following reasons:

- Under age 18
- Pregnant or in the 60-day postpartum period
- Approved for Nursing Facility Services
- Approved for Home and Community-Based Care Services
- Approved for Breast and Cervical Cancer Program (BCCP)

There are no pharmacy co-pays for recipients at or below 100% of the Federal Poverty Level. Recipients will receive a letter from DHHS outlining their co-payment responsibilities. Co-payment amounts for recipients who are above 100% of the FPL and not exempt are:

**Medicaid Program (Fee-for-Service and Medicaid Care Management)**

Drug	Co-payment Amount
Brand Name Prescription	\$2.00
Generic Prescription	\$1.00

**NH Health Protection Program (NHHPP)**

Drug	Co-payment Amount
Brand Name Prescription	\$4.00
Generic Prescription	\$1.00

Pharmacy providers with questions should call the appropriate provider relations unit:
